## **JOIN THE GRRRA JUNIOR SUMMER ROWING PROGRAM**

The Grand Rapids Rowing Association\* is offering two beginner junior rowing sessions for Grand Rapids area students in 8<sup>th</sup>-12<sup>th</sup> grade. Don't miss out on this great opportunity to try something new this summer. The first session will run from June 12 – June 29 and the second session will run from August 7 – August 24.

No one sits on the bench in rowing! Rowing is a great way for kids to learn teamwork, self-confidence, focus and discipline. We find that kids who wouldn't participate in more traditional sports tend to do very well in rowing. Athletes that already participate in a sport can also benefit from rowing in their off-seasons to help stay in shape. Rowing is a full-body, low impact work out.
