

5TH GRADE INFORMATION—VERY IMPORTANT

NEW Immunization Requirements for 2010-2011 School Year ~ We have recently been notified by the State that beginning with the next school year, all incoming 6th graders (current 5th grade students) will have additional immunization requirements as stated below:

1. Two doses of Varicella vaccine or have a history of having chickenpox.
2. One dose of meningococcal vaccine.
3. One dose of tetanus/diphtheria/acellular pertussis (Tdap) (if 5 years or more have passed since last dose of tetanus/diphtheria vaccine – DTaP, Td or DT).

If your child needs immunizations, please make work of completing these immunizations during the 5th grade school year.

Any child who has not had all of his or her immunizations will not be allowed to start 6th grade.
